MODELLING AND PROMOTIONAL STAFF

OPEN

Pack away the jigsaws, stop taking the dog for relentless walks and dismantle the home schooling desk, Yes!!!!  
Things are getting back to normal baby!

What a fantastic job we have all done. Most adults in this brilliant country of ours have been offered and are taking up the Covid vaccine.

It's just so exciting to see things returning to normal. Going for a walk now has a purpose because you can decide on an actual destination (the pub).

It's great to see events being organised too (or reorganised). Gives us all something new and exciting to enjoy.

We want to support our clients and do what we can to help them storm into recovery. So, if you have an event planned why not send us the details and we will happily share on our social media for you. ***Its all about helping each other.***

During restrictions our promo staff performers have still been able to promote brands safely. They have dressed up as Mr Monopoly, UEFA Mascot, Santa and many, many more!

**Feedback -** Many thanks for arranging Robert and Grant to join us on the UEFA EURO 2020 Trophy Tour this week in Glasgow.

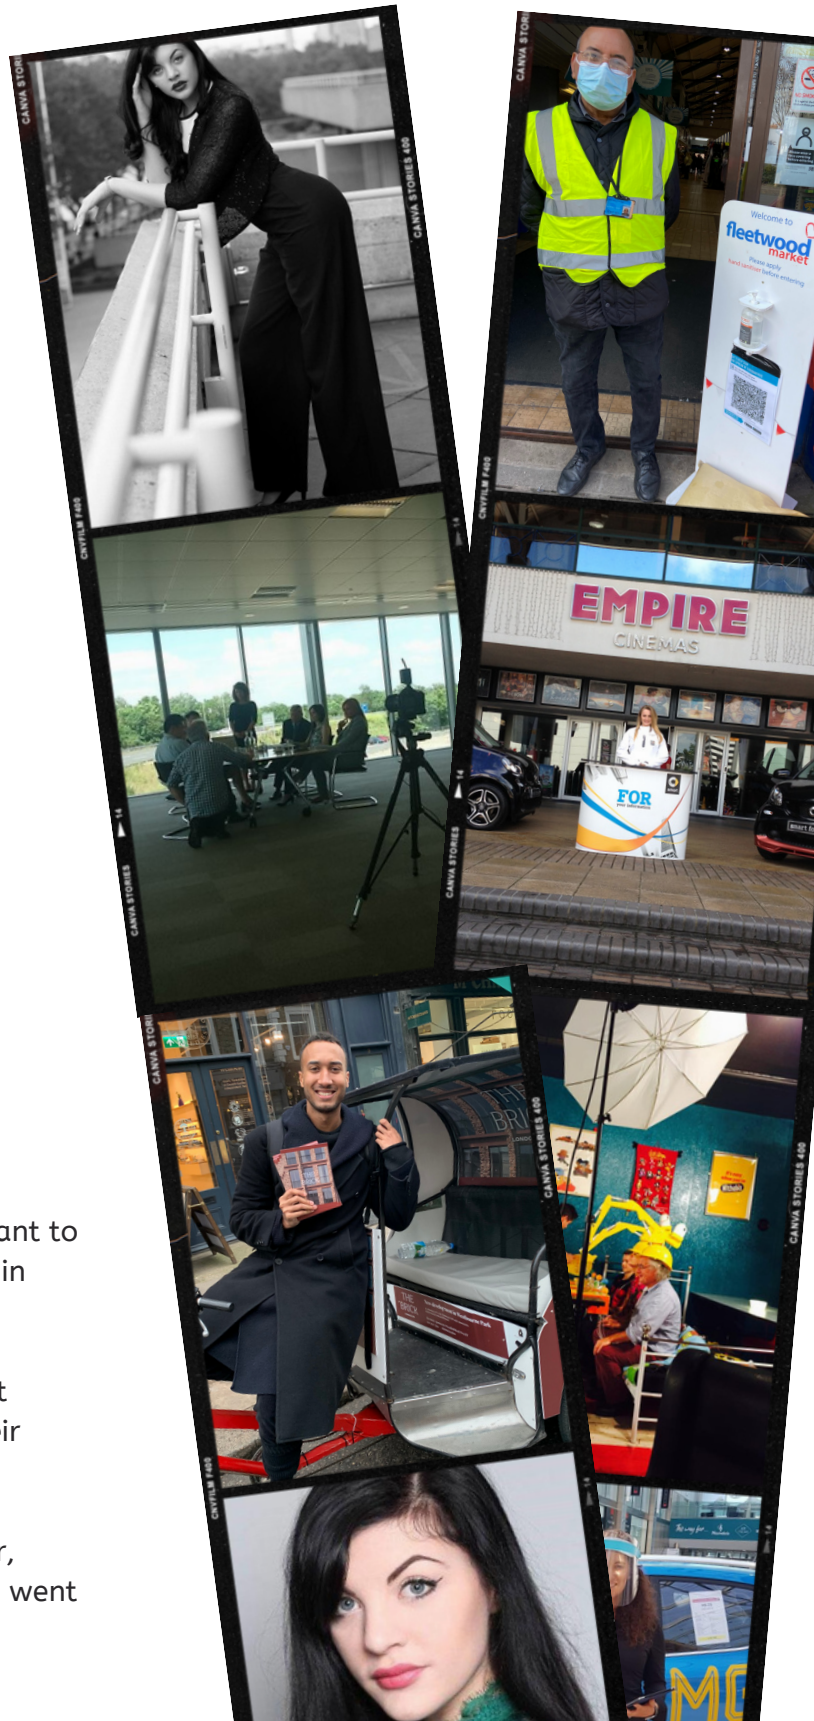

Both were an absolute pleasure to work with; great at keeping in touch, prompt, friendly and excellent in their roles.

Considering Glasgow had some unusually hot weather, Grant did an incredible job! Bob was a gentleman and went over and above to offer help and be proactive.

## Dreams in Action

We're delighted to say we are super busy and have had staff working in various locations across the UK this month. Everyone is jolly with a great attitude as they are back to doing what they love. This is what some of our staff have been up to lately.

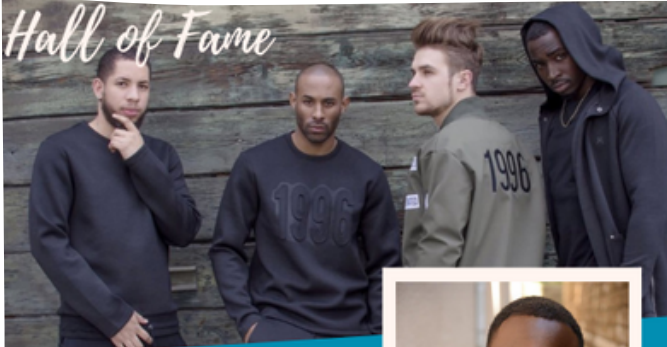

# Hall of Fame

We are really proud of our staff at Dreams Agency! We have so much positive feedback about our promo teams that we thought we would share a few of the 'Hall of Fame' winners with you.

When we look for our winners, we look for much more than just turning up for the job, only those who stand out win the prize! Getting great feedback from the client and obvious hard work is something we really look out for. We really love a good attitude at Dreams and we appreciate when our personnel prove themselves to both us and our clients.

**ALEX**

A fantastic March for Alex and has won him this month's Hall of Fame! With an ability to adapt into any role, Alex is a valuable member of the team travelling all around London and sometimes further afield in order to help Dreams Agency out – and it has not gone unnoticed!

Taking on event management roles is no easy task but the way he conducts himself and represents Dreams means that we will always think of him when looking for an EM in the future! He is also the first staff member to appear in Dreams monthly awards since the turn of the year so a very big well done to Alex!

**ALICE**

Bright and bubbly Alice is a star in our eyes, she has recently helped us out at short notice and went over and above the call of duty in a recent assignment!!

She has unbound enthusiasm which has resulted in bookings from some of our biggest clients. Her experience includes demonstrations, exhibitions, festivals, roadshows, sales, hospitality, leafleting, sampling and hostessing just to name a few strings on her bow!!

Congratulations on being our February winner!

**LYDIA**

It was about time you won this award Lydia! Always brilliant, always hard working and I am pleased to announce that you are the winner of Dreams's Hall of Fame award for April.

Your team leadership skills really shone through with a massive team behind you, quality communication and an attitude that we love, we really appreciate your hard work and commitment.

A big thank you!

**NATASHA**

This month we were faced with an incredibly difficult decision to make, having to select from more than 15 candidates which have all shown Dreams great passion in promotional work. So our January winner had to be one that really stood out. So for impressing the socks off our clients, our winner is Natasha.

Natasha has proved to us that she is very hard working, her great communication with us and clients ensures that each event she is booking on runs smoothly and her ability to think on her feet means that she produces fantastic results.
